

Swim the Bering Strait!

At its narrowest point, the Bering Strait is 53 miles wide. To swim across, you would need to swim 1,865 laps.

Alaska
(U.S.)

Sign up at the Valdez City Pool!

It's Free! Everyone* can do it!

Once you've signed up, you'll receive a log sheet to help you track your mileage. And once you've made it to land, you'll receive a cool shirt for bragging rights!
